

Meeting Agenda

Date: 29/5-15, 13:37

Facilitator: Alexander Håkansson

Participants: Kevin Hoogendijk, Alexander Karlsson, Alexander Håkansson, Maxim Goretskyy

1. Reports from previous meeting

We have finished the RAD, SDD and the application. The project is finished.

2. Discussion items

- a. Evaluation

3. Outcomes and assignments

- a. The project has been a great experience and a success. We are all happy with our work and with the final application: The Legend of Chalmers. We believe the following song describes our project really good:

<https://www.youtube.com/watch?v=lAyBRec0q-I>

4. Wrap up

Project is over. Good job. Next meeting would have been held in another dimension or in the past, the future, parallel universe or maybe right now.
